Credentials

Angela is a nationally recognized International Coaching Federation (ICF) Master Certified Coach (MCC) who is skilled in working with multi-cultural leadership teams and global organizations; in fact, Angela serves as a coach to several high-profile Global Fellowship Programs that help world changing innovators and entrepreneurs from around the globe to amplify the impact of their remarkable projects and activities aimed at creating sustainable and powerful outcomes.

She is committed to excellence in her profession by being actively involved with the ICF-Central Florida Chapter (ICF-CF), the Greater Orlando Organizational Development Network (Good Network), and the Association of Coach Training Organizations (ACTO). Angela is certified by three recognized coaching programs and serves as Mentor Coach to aspiring coaches in the United States and Asia Pacific in the following programs: Newfield Network, The Coach Partnership aka Newfield Asia, Institute for Generative Leadership and Narrative Coach. She is also recognized as a Master Birkman Consultant specializing in individual, team and organizational development.

Angela believes that “who you are is how you coach”. Angela is passionate about working with leaders and coaches alike and to continue to push her own learning edge as she does with her clients, Angela has embarked on a year-long learning journey to become a Certified Coach Supervisor through Coach Supervision Academy North America (CSA) whereby she further is expanding her awareness and deepening skills to support coaches in continuous learning and growth through reflection that align with our high professional standards.

Author

Angela's most recently published article was featured in Choice Magazine's Diversity & Inclusion edition, March 2020. The article, “Cultural Humility, The Only Practice You Need To Expand Your Cultural Awareness” the importance of doing our own work first. She along wither colleague have held virtual roundtable discussions with leaders, facilitated workshops, and programs on the subject. The accumulation of the learnings are currently being pulled together in a revolutionary “how to” book that will be launched later this year: Expanding Your Flock.

The Magic In The Middle will be released late Fall 2020; it offers CEOs and organizational leaders the key insights they need to amplify their leadership and leverage their collective intelligence by attending to the “space between”. This book reveals the secrets to igniting success her leaders and organizations Angela works with and earned her the label, “Your Company's Secret Weapon”.

SPEAKER BIOS

Once Angela recognized the power of Igniting Success and working with C-Suite leaders to explore the space between, she decided to share it with the world. She dropped everything, leaving her comfy corporate position in the finance industry to strike out as an entrepreneur with the opportunity to turn her corporate in-house training to her own training company working with executives to Igniting Success®. Angela's game-changing system can be used in the C-Suite to mid-management to create new insights, action, and results by improving culture integration and leadership systems. This game-changing system has garnered the attention of world-class corporations, making Angela one of the most in-demand speakers in the corporate space.

OUR GUIDING VALUES ARE EXEMPLIFIED AND EMBODIED IN ALL WE ARE AND ALL WE DO THROUGH COLLABORATION AND PARTNERSHIP WITH OUR CLIENTS.

INTANGIBLES

We believe the space between shapes our experiences and influences the design of teams and organizations. Through our work, we strive to design holistic experiences, integrating a variety of leadership and organizational disciplines and styles.

INTEGRITY

We believe great work and great people possess integrity. We are driven by a desire to be honest in our work and relationships. We understand that a culture of integrity creates strong bonds and lasting partnerships.

INTELLIGENCE

We are deeply committed to learning, understanding and acting with intelligence. We believe people, places, organizations and communities possess identities that should be considered as part of our systems-oriented mindset, approach, and processes.
