BIO

Affectionately coined, 'The Hollywood Redneck', Kevin blends his athletic and Hollywood experience along with some no-BS practicality that turns generational thinking into efficient and quantifiable solutions. His mix of plain ole' creative redneck wisdom, leadership & communication strategies, transcend and deliver actionable results.

Kevin E. West enjoys a distinguished career as an actor, athlete, author, leader, and motivational speaker. A consultant and coach in the areas of leadership and communication skills, Kevin's central theme has always been related to the complexities of pro-active communication, efficiency protocol, and overcoming the psychological fears that bind. When Kevin speaks it is often raw, deeply personal and yet he connects deeply with each individual in the room.

Kevin's 30-year career led him to become the founder of an award-winning organization: The Actors' Network. An organization helping today's actors learn about the business of acting and how to realize the greatest success without repeating the mistakes of others. The Actors' Network brings some of the most compelling personalities, including artists, authors, media personalities and sports icons. Kevin is an author of two-life changing books and he continues to pen his words in his upcoming book series, *Kevin's Dictionary*. Columns and videos can be found throughout numerous online and print media platforms.

Kevin has been a requested expert on such International podcasts as: Cool Things Entrepreneurs Do & The Entrepreneur Way. Along with being the cover boy of City to Country magazine Kevin has appeared on NBC, ABC, CBS, FOX, TNT, F/X and Showtime. Kevin also has performed significant content and commentary on the radio, for his ability to identify vulnerability from Corporate to the individual. His humble beginnings belie his Resume as it reads more like the movie, *Deliverance*.

A much sought-after motivational speaker, Kevin delivers communication and leadership workshops for a variety of clients in the corporate and non-profit sectors. His hands-on professional development and executive programs, which Kevin has developed to help today's professional reach their potential as leaders. From the back woods of rural Nashville, to looking like Tom Sawyer fishing for catfish at the age of 12 to shooting *episodes in multiple* Emmy-Award Winning television shows, Kevin speaks unabashedly from his core about the crucial importance of communication skills.

TESTIMONIALS

Kevin has an incredibly gifted and unique way of presenting the realities of the industry by simplifying all the aspects of it that we make complex through complete honesty that is fueled by great humor. I loved nothing more than hearing Kevin talk for over an hour about industry topics. You want entertainment that will educate the hell out of you? Then check out the best investment you can make...

– **Korken Alexander**

Kevin E. West: The Best!! Not only is he a wise guy (no pun intended!), but his ability to pull off my covers, then have me laughing through my tears, makes him one in a million! I value his Truth, Enthusiasm, Wit, and Compassion for others. Listening to him, I've not only learned about my obstacles to success, but obstacles to my success n' happiness in Life. Love the Guy!

– **Joy Rinaldi**

(Owner/Founder, McCadden Place Theatre)

...Kevin is a dynamo of information and sobering inspiration. He awakens your focus and can-do attitude.

– **Douglas Dickerman**

...Kevin you're amazing and I owe a debt of gratitude to you for your instruction and continued support. Many others can say the same thing. Your presence and determination is unparalleled. All the best to you.

– **David Sirbu**

(Freelance, Travel Director)

Just wanted to express my thanks for your frank and practical advice...Really appreciate what you do... Your honesty, realistic perspective, and no-nonsense personal responsibility is a breath of fresh air in this town. Glad I lucked out and found you in my first year.

– **Nick Troy**

(Repair Technician, DC Metro)

Listening to Kevin opens up a pipeline of knowledge into your subconscious thoughts...

– **Elliott Ehlers**

...I'll remember the stuff I learned from Kevin for a long, long time...I really appreciate you and all the knowledge and resources you have made available to me...and thanks for the laughs too.

– **Patrick Wenk-Wolff**

I just wanted to take a moment and thank you for all the knowledge I've gained from you. I can honestly say it was the best money I've invested in my career. I feel I've gained a new grasp of my profession, and tactics I can apply here or in NY or any market. No doubt I will tell my contacts in Miami and NY about a loud guy named Kevin.

– **Jorge Ferragut**

(Dir. of Sales, Tiempos del Mundo)

Outstanding, man. Inspirational, vulnerable, connected – just some of the things that went through my head listening to your two-part podcast. That double-dose of Mr. West made my day. Thank you as always for being such a positive, active member of our community.

– **Clark Coffey**

(Project Mgr., Center for Toxicology)

Thank you so much Kevin for coming and sharing yourself and your wonderful message... You were a big hit and the favorite speaker of all those who attended based on the evaluations...Everyone could relate to your analogy of relationships and business. You were real and authentic and told it like it is. No BS. It was very appreciated and well received.

– **Tessa Aura Adler** (EDD Program Representative,
Americas Job Center of California)
